PROTESTED by Lizzie J. Anderson Dunn, April 28th, 1914.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is granted subject to the right of Mrs. Lizzie J. Anderson Dunn, when the water reaches her land, for what water has been diverted for a beneficial purpose from the source by herself and predecessors. The applicant shall construct and maintain a headgate at his point of diversion which the State Engineer reserves the right to regulate if it is deemed necessary.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed --1.8-- cubic feet per second.

Actual construction work shall begin on or before Sept. 1st., 1914.

Proof of commencement of work shall be filed before Oct. 1st., 1914.

Work must be prosecuted with reasonable diligence and be completed on or before Feb. 1st., 1915.

Application of water to beneficial use shall be made on or before Sept. 1st., 1918 Proof of the application of water to beneficial use must be filed with State Engineer on or before Oct. 1st., 1918.
